The annual Georgia Bio Innovation Summit is the must-attend event for Georgia’s life sciences community. This year we will host a variety of events over a two-week period to further engage with our audiences.

This virtual gathering will include plenary sessions, 1:1 partnering, company presentations, exhibits, networking and more that will help drive your business, and the insights you need to continue critical research and development.

Don’t miss the chance to support the singular annual event in Georgia that showcases our state’s thriving life sciences industry!

2021 Champion Sponsors

2021 Premier Sponsors

All sponsorship levels will receive recognition on website, digital promotions and e-book for all programming.

In order to secure your sponsorship for the 2021 Georgia Bio Innovation Summit, please contact Kristina Forbes at kforbes@gabio.org or 404.920.2043.
