In-Person Networking Event!

We are watching the COVID Delta variant situation closely and are hoping to still host an in-person networking event for those that are comfortable. We will have sponsorship information and event details soon. We look forward to reconnecting with you both in-person and virtually at this year's Innovation Summit!

Exhibitor – \$1,000

- 2 Summit Registrations
- Virtual Exhibitor Booth

Student Scholarship – \$500

- Provide Opportunity for 10 Students to Attend for Free

All sponsorship levels will receive recognition on website, digital promotions and e-book for all programming.

The annual Georgia Bio Innovation Summit is the must-attend event for Georgia's life sciences community. This year we will host a variety of events over a two-week period to further engage with our audiences.

This virtual gathering will include plenary sessions, 1:1 partnering, company presentations, exhibits, networking and more that will help drive your business, and the insights you need to continue critical research and development.

Don't miss the chance to support the singular annual event in Georgia that showcases our state's thriving life sciences industry!
